## About The Company

SUDTECH LTD is an OEM/ODM/EMS manufacturing China outsourcing company that concentrates in delivery quality electronic and electro-mechanical parts, products and related professional services to a world wide base of corporate clients. Established in 2001, SUDTECH is registered as a Wholly Owned Foreign Enterprise (WOFE) based in the Free Trade Zone of Hong Kong.

SUDTECH specializes in helping customers to find the right factory in China to manufacture their products. Our goal is to take the financial risk out of off-shore Chinese manufacturing sourcing by working as seamless extensions of our customers' legacy production operations. We strive to provide clients with high-quality, low cost, custom made products - produced and tested to their exact specifications.

Leveraging, our English/Spanish/Chinese -speaking engineering and professional service program managers in Shenzhen City (Guangdong province) and Hong Kong, SUDTECH interacts with a network of local Chinese ISO 9001:2000 and ISO 14001:1996 certified manufacturers and suppliers to deliver:

- Complete Out-Sourcing Solutions - From Design to Logistics
- Small/Medium/High Volume Manufacturing
- Engineering/Design and Program Consulting
- Advanced Quality Control Techniques
- Testing & Certification Management

SUDTECH also can provide corporate clients with a wide-range of professional services: including cost analysis, purchasing, manufacturing process design, assembly, quality assurance as well as logistics services to major markets world-wide.

## Manufacturing Product Line Card

SUDTECH provides complete program management covering a diverse range of industrial/OEM products such as:
